SPECIALISED CLEANING

We aim to take cleaning further, because we believe it is important to always bring you more. For this reason we offer additional specialised services, and packages that you can customise, to ensure your business always operates at its best.

WE ARE NCCA ACCREDITED

We are ISO 9001 accredited, and a certified audited member of the National Contract Cleaning Association (NCCA Accredited). From Occupational Health and Safety to Hazard Analysis and Critical Control Points (HACCP), strict adherence to the highest cleaning standards is at the heart of our services.

THE PILLARS THAT SUPPORT OUR PHILOSOPHY ON HYGIENE

The pillars instilled at Servest provide a framework for all our hygiene practices, so we're always able to take pride in offering you the high quality service that we do.

- People – ensuring colleagues are well trained and punctual.
- Pay – paying colleagues what they deserve and always on time.
- Appearance – our colleagues are always presentable and in the correct uniform, while consistently following the requirements of PPE.
- Stock – ensuring the correct supply of chemicals and consumables are available.
- Equipment – ensuring that the correct equipment is on site and immaculately maintained.
- Service – our clients make us who we are. This pillar ensures that we are quick and effective when reacting to your requests.
